

## Developmental Disabilities Council

TO: Council Members

FROM: Ed Holen, Executive Director

SUBJECT: Homework Assignment

DATE: October 26, 2005

The Council is in the process of developing its 2007-2011 State Plan. This plan will govern the work that the Council undertakes in advocacy, systemic change and system capacity building activities starting October 1, 2006.

At the September Joint workgroup session, we learned about Outcomes and Performance Targets and spent time working in smaller groups to develop draft Outcome and Performance Targets in the three priority areas of Employment, Community Supports and Housing.

Attached is the compilation of the round table discussions and recommendation you made for Outcomes and Performance Targets.

Your homework assignment is to review these draft Outcomes and Performance Targets and provide comments. Keep in mind we decided to focus on Employment, Community Supports and Housing. HOWEVER, we can engage in advocacy efforts in all areas that impact people with developmental disabilities and their families!

Your comments are due by December 1<sup>st</sup>, 2005. You may write on the attached documents and bring your comments to the November Joint Workgroup session and give them to Clare, or mail them to the Council Office in the enclosed envelop or email comments to Clare at [clareb@cted.wa.gov](mailto:clareb@cted.wa.gov).

We will **not** be going over the homework assignment at the November meeting. At the November Joint Workgroup Session we will be developing Outcomes and Performance Targets for Self-Advocacy, Advocacy Partnership, Leadership and Quality Assurance.

At the January Joint Workgroup Session, we will roll everything together, including your comments from the homework assignment.

We look forward to your participation in developing the Council's 2007-2011 State Plan.
